

George D. Hay Society Minutes

July 16, 2022

The meeting was called to order at 12:45 PM by president Fred McKinney. Present were Fred McKinney, Eric Lewis, Barbara Williams, and three proxy members.

The minutes of the previous meeting were read by Barbara Williams and were approved as read.

The treasurer's report was read by Eric Lewis and were approved as read.

Old Business

There was a discussion of reprinting the George D. Hay biography, "The Story of the Grand Ole Opry." The legal aspects of that will be researched and we will also get an estimate on the reprinting costs.

New Business

Discussion was held on the possibility of moving the George D. Hay Society display, which is currently at the Harlin Museum to the Ozarks Heritage Resource Center at Missouri State University's West Plains campus. Since the display case at the Harlin Museum is very heavy to move, we should leave that display as it is. An additional display can be installed at the Ozarks Heritage Resource Center of the George D. Hay Society photographs.

The meeting was dismissed at 1:45 PM.
